

SAID HE HAD BURGLAR

Man Crazy With Liquor Sets Police on "Speakeasies."

TWO WOMEN ACCUSED

Mrs. O'Brien and Mrs. Newbill Face Charges of Selling Liquor Without License as Result of William Beazley's Hallucination.

As the result of his telephoning to the police early Sunday morning that he had captured the "barefoot-cigar-smoking" burglar, William Beazley, of 220 Forty-second street, was jailed on charges of lunacy and drunkenness; Louis Watson, who lives in the same house and who, it was claimed by Beazley was the "barefoot man," was arrested for being drunk, and Mrs. Timothy O'Brien, of 318 Forty-second street, and Mrs. Annie Newbill, of 320 Forty-second street, were jailed on charges of selling liquors without a license. The police found large quantities of bottled beer in the homes of the women and the "liquid refreshments" are being held as evidence against them when their cases come before Justice Brown Brown in the police court.

About 3 o'clock Sunday morning the telephone in the police station rang and Station Keeper Chewing answered the ring. A voice on the other end of the wire told the officer that the "barefoot" burglar had been caught by the speaker and if the officers would hurry to 220 Forty-second street they could have the man. While they did not have much faith in what the speaker had said, Sergeant Webb, Patrolman Grey and Patrolman Johnson hurried to the scene in the patrol wagon.

Said He Was a Detective. Beazley met the officers at the corner of Forty-second street and Huntington avenue. He told them that he was a detective from Richmond and that he had come here to catch the burglar and get the \$250 reward. He said that he had gotten the "burglar" to his room and that while they were talking together the "burglar" offered to go out and get some beer. Beazley said that the "burglar" went out in his bare feet and returned a short while afterwards with a dozen bottles of beer. Beazley insisted that the "burglar" had stolen the beer by breaking into somebody's house and that he was in his bare feet at the time and that hence he was the long sought "barefoot burglar."

The officers heard the man's tale, told him he was crazy and arrested him. They then went to 220 Forty-second street and got Louis Watson, who had gone out after the beer. Both men were taken to the police station and locked up.

Had Suspected "Speakeasies." The police have had reason to suspect that liquor was being sold on Sunday on Forty-second street and after talking with the prisoners, Sergeant Mitchell and Patrolmen E. P. Moss, Padgett and Shelton raided the homes of Mrs. O'Brien and Mrs. Newbill about 8 o'clock Sunday morning, carrying them and the beer found in the houses to jail. Both of the women were bailed later for their appearance in the police court this morning.

Watson and Beazley also were bailed, Justice Holshack allowing the former to go on his own recognizance. Watson failed to show up in the police court yesterday morning and for that reason the cases against the women had to be continued as Watson is the principal witness against them. Beazley's case also was continued until this morning.

PROF. MILLAR DEAD.

Aged Man Passes Away Far from Relatives and Friends. Prof. W. J. L. Millar, who has been living in this city for the past year, died suddenly Saturday night at the home of Mrs. Wingfield, 114 Thirty-first street, where he had been boarding. Mrs. Millar is visiting in England and she has been notified by cablegram of the death. Prof. Millar has one son in New York, another in Indiana and two daughters in Cleveland, Ohio. The daughters are expected to arrive here today, when arrangements for the funeral will be made.

Prof. Millar, who was 68 years old and a native of England, was a Mason and unless the daughters decide to take the body away for burial, the funeral will be conducted here this afternoon under the auspices of the local lodges of Masons.

SAVED OLD LADY'S HAIR

"My mother used to have a very bad humor on her head which the doctors called an eczema, and for it I had two different doctors. Her head was very sore and her hair nearly all fell out in spite of what they both did. One day her niece came in and they were speaking of how her hair was falling out and the doctors did it no good. She says, 'Aunt, why don't you try Cuticura Soap and Cuticura Ointment?' Mother did and they helped her. In six months' time the itching, burning and scaling of her head was over and her hair began growing. To-day she feels very much in debt to Cuticura Soap and Ointment for the fine head of hair she has for an old lady of seventy-four."

"My own case was an eczema in my feet. As soon as the cold weather came my feet would itch and burn and then they would crack open and bleed. Then I thought I would see to my mother's friends, Cuticura Soap and Cuticura Ointment. I did for four or five winters and now my feet are as smooth as any one's. Elizabeth Dunham, Hiram, Me., Sept. 30, 1909."

CANDIDATES MUST FILE "EXPENSE" ACCOUNTS

Newly Elected Councilmen Cannot Qualify Unless Statements Are Made to Clerk of Courts.

All of the candidates for the city council in the general election of June 14 must file statements of their expenses in the election before they can qualify for office and unless these statements are handed to the clerk of courts before the expiration of the thirty days' time limit the candidates will not be able to qualify for office.

Owing to the fact that few, if any of them, spent any money in the election, many of the candidates have thought that they did not have to file any "expense" statements. Those candidates who spent no money must make a statement to that effect to the clerk of courts. None of the Democratic candidates had opposition in the election.

Pawned Customers' Clothes. Louis Ruffin, a negro, was arrested Sunday by Detective Sergeant Henry Bridges on the charge of larceny. It is alleged that the negro pawned a number of suits of clothes and pairs of trousers, which customers had sent him to be cleaned. In the police court yesterday morning his case was continued until this morning.

Negroes Sent to Jail. George Heartfield and Robert Diggs, negroes, who were arrested in Rock-ett by Patrolmen Padgett and Besswell early Sunday morning, were sent to jail by Justice Brown yesterday morning. The negroes were placed under bond for being not of good fame and were unable to furnish security.

Officer Smith Out Again. Wagon Driver Pel Smith, who has been ill at his home in East End several weeks, was able to return to his work at the police station yesterday.

Goes to New York. Pollard Valden left last night for New York, where he is to take charge of the branch store opened in that city by H. B. Walker.

A Woman's Great Idea is how to make herself attractive. But, without health, it is hard for her to be lovely in face, form or temper. A weak, sickly woman will be nervous and irritable. Constipation and Kidney poisons show in pimples, blotches, skin eruptions and a wretched complexion. But Electric Bitters always prove a godsend to women who want health, beauty and friends. They regulate stomach, liver and kidneys; purify the blood; give strong nerves, bright eyes, pure breath, smooth, velvety skin, lovely complexion, good health. Try them. 50c at All Drug-gists.

MAKE IT PERMANENT

Chamber of Commerce Directors Discuss Normal School.

FUNDS MUST BE RAISED

Permanent Committee Will be Appointed to Secure Money Needed Each Year to Maintain Institution—Skipper Complains of Delay.

Tentative plans for the financing of a permanent State summer normal school in Newport News were made at a special meeting of the board of directors of the Chamber of Commerce yesterday afternoon in the office of Secretary W. E. Cottrell. A permanent committee is to be appointed to raise the necessary funds each year and if the money can be secured there is no doubt that the school will be held here each year.

The first session of the Newport News summer normal is to begin Friday morning at 9 o'clock with three hundred teachers in attendance. Every possible effort will be exerted by the managers to make the school a complete success and to give the teachers entertainment as well as excellent courses of study.

A Business Proposition.

The establishment of a permanent normal here would mean a great deal to the business interests of the city. Naturally the institution will grow each year and in a few years from eight hundred to a thousand teachers will attend. They will spend four or five weeks here and each one will spend not less than \$1 a day. With three hundred teachers in the city for a month \$3,000 will be spent in Newport News.

Several other matters were disposed of by the directors yesterday afternoon. The request of Rev. E. T. Wellford, D. D., that the Chamber of Commerce appropriate money for the members of the body to go on the series of moonlight excursions being run this summer by the First Presbyterian church, was referred to the members' meeting without recommendation.

Wants Delay Explained.

A letter was received from the captain of the Italian steamer Montecenisio asking why his ship has been delayed here so long in getting a cargo of coal. The vessel has been in port several weeks and has just been docked to load her cargo. This letter will be referred to the committee on port charges and usages.

Secretary Cottrell did not give the directors the communication from the Chesapeake & Ohio Railway Company looking to the enlisting of the chamber's co-operation in the locating of several small enterprises in Newport News. This matter will be taken up at the regular meeting of the chamber and the body will do everything possible to assist the railway company. The company already has received communications from several industries which want to locate in this city.

Manager Nexsen Notified by Crabbers' Leader of Final Decision—Maloney's Good Hitting.

Manager Nexsen, notified Manager Nexsen, of the North Enders, Sunday that he had withdrawn the protest entered Saturday on the game between the Crabbers and the Champions at the Casino park. Dr. McAllister told Manager Nexsen that the North Enders had won the game on their merit and that he would not protest. Dr. McAllister objected to the crowd being in right field Saturday and claimed the crowd interfered with Curtis in fielding Shawen's hits to right in the fatal eighth.

Through a typographical error, Maloney's name was left out of the box score of Saturday's game, which was printed Sunday morning. Maloney played fine ball in this game and smashed out three clean singles in five times at the bat. Besides that he stole four bases on Buntingham. Billy is steadily improving in his stick work and at this time the North Enders have a fine hitting outfield.

Grey-Dickinson. The marriage of Miss Lilly Pent Grey, of Riverview, to Mr. A. Clarence Dickinson, of Philadelphia, was solemnized Saturday night at the home of the officiating minister, Rev. J. T. For the past two years she has been making her home with Mrs. S. T. McIntyre at Riverview. Mr. and Mrs. Dickinson will leave in about two weeks for Philadelphia, where they will make their home. Mrs. Dickinson is a sister of Mrs. B. O. Gatewood, of this city.

Delicately Formed and gently reared, women will find in all the seasons of their lives, as maidens, wives and mothers, that the one simple, wholesome laxative remedy, which acts gently and pleasantly and naturally and which may be taken at any time, when the system needs a laxative, with perfect safety and really beneficial effects, is Syrup of Figs and Elixir of Senna.

It has that true delicacy of flavor which is so refreshing to the taste, that warming and grateful toning to the stomach which responds so favorably to its action and the laxative effect which is so beneficial to the system when, occasionally, its gentle cleansing is required.

The genuine, always bearing the name of the California Fig Syrup Co., may be purchased from all leading druggists in original packages of one size only, price fifty cents per bottle.

TO-NIGHT Cascarels

A Pleasant Surprise That's what you've got coming when you get your first month's gas bill for cooking and lightning.

We venture the opinion that it will not be one-half as large as you expected it would be. If you think that gas is too expensive for you to use for cooking why not satisfy yourself on that point?

We'll charge you nothing for telling you about what the amount of gas you'd likely use would cost you each month. Just think of the comfort you're missing by not having a gas range.
